

G-35

12V, 23Ah

Technical Specifications

Dry Charged

The Teledyne Battery Products G-35 is a robust 12-volt aircraft battery designed for general aviation. It delivers consistent power for starting your aircraft and handling emergencies, even in demanding conditions. With its higher capacity and cold weather performance, it's compatible with popular aircraft models like Beechcraft, Cessna, Mooney, and Piper. Built by a trusted brand with over a century of expertise, the G-35 ensures dependable performance for every flight.
